## 2023 CAMPAIGN IMPACT

---

### 4,940 girls

in rural Africa supported through a year of secondary school, and 1,250 young women provided business support with CAMFED.

### 525 families

transitioning into affordable housing, and 20 immigrants and refugees provided legal representation and assistance with Catholic Charities Archdiocese of New York.

### 265 New York youth

engaged in after-school programs, 1,550 students receiving vision screenings and free glasses, and direct assistance extended to 745 families in financial distress with Children's Aid.

### 7.5 million nutritious meals

distributed to families, children, and seniors facing hunger with Feeding America.

### 576,000 students

at under-resourced schools accessing books and other critical literacy support with First Book.

### 1,000 Latinos

receiving mental health services in five states, 100,000 individuals civically engaged, and public education expanded to 185,270 immigrants with Hispanic Federation.

### 64,900 children

screened and treated for malnutrition, and one month of rent covered for 282 refugee families with International Rescue Committee.

### 495 young people

receiving a year of instruction, advising and support proven to dramatically increase postsecondary success with OneGoal.

### 1,163 low-income Americans

provided with everything they need to participate in tuition-free IT training and triple their prior earnings with Per Scholas.

### 1,560 New York seniors

provided vital services to combat social isolation, and 5,442 teens receiving mental health counseling and access to a support hotline with UJA-Federation of New York.
